Brain Guzzler: The End Is Nigh is the brainchild of ex-Rare alum Caspian Tredwell, who has a thing for classic video games, Zombies and of course, his speciality – making fun mobile games! Pursue your hunger for human brains and other in-game characters in this original and addictive zombie combat experience. - When he's not making zombie games, Caspian can be found drinking his two favorite beverages: Red Bull and Tea. 13. Mummy's Curse: The Hideout of the Ancients - Wii This is an adventure game for the Wii system, from the Mummy's Curse: The Curse of the Dragon's Heart development team. You play in the role of a brave gladiator who needs to find out what happened to his friends, why he was taken away from his home and, most importantly, what is up with the mummy's curse. As you progress through the game, you will be in for a real pleasure – a 3D world full of action, mystery and exploration. 14. Underpants Party - iPhone Underpants Party brings you a modern take on the classic game of Hide & Seek and replaces the traditional hiding places in the room with even more hilarious and innovative ones! Simply get in, press start and wait for the game to start! From crazy and funny cubicles to funny obstacles in the room, get ready for a blast of entertainment that will make you want to hide again! If you get caught, you will be forced to play a mini version of the game on the stock touch screen of your iPhone or iPod touch! 25. Wii Party - Wii The Wii Party game is a party game with great action that you can play with your Wii console and Wii Remote controller! It features more than 30 minigames including cards, remotes and microphones. It also features the Party Meter, which shows how much fun everyone is having. The game also includes an online multiplayer mode. 26. Body Swap This is a puzzle game for Wii in which you don't control the player character – instead you watch him move on the screen. Your player character is just a ghost figure, thanks to one of the other characters, who becomes a ghost while using his/her body as a bodybag! The victim of the body swap is the main

Never before have players in a Dungeons and Dragons game been able to transform into such vile enemies

Snooper is a Vomitorous-level Demon with an established relationship with the Dungeon Master

Maw is a Pit Fiend-level Demon that will help you find treasure

Shriek is a vampire-level Demon and knows many lairs and passageways

Sluggo is a Succubus-level Demon that feeds mostly on human blood and is odd

## Storyline:

- The Elders were once the Wise Ones of this world, toiling in research and creating experiments. They ultimately created a race of living creatures that were given the ability to control the elements of fire, water, air, and earth. After thousands of years in hiding, their brethren left the world, rejecting their powers and casting them down before returning to their own dark lands
- The Elders' race was eventually destroyed and their forms scattered, becoming dark spirits like themselves. The Elders, however, intended to return to this world, searching for the forces of creation that had given them their powers. Unfortunately, none of their forces responded to the call.
- As a result, the Elders decided to use their powers to visit a spirit world, where their brethren resided

## Weapons:

- Scimitars: The Elders and their brethren worship its light. Beyond that, it is equipped with some lightning blasters, focusing darts, and a protective force field as well. It is an awesome magic-based weapon, but can also be wielded in its favored form: as a mass-produced weapon of mass destruction. While in its favored form, it does not gain any magic but shoots much better. Otherwise, it is just as useful as it is in any other setting
- Thunderblowers: The thunders of the World Above do not affect this weapon. However, its amulets and favored weapons function as if the storm was not raging, and its favor goes to a far more serious element.

The Thunderblowers favors storm-like elements and its weapon becomes decent at,

**: Week 1 of the National Football League The National Football League is the epitome of American Football. Coming out of Super Bowl 50 this past February, the league is ready to split TV cash with Fox for a brand new year and a new league. For a little background on how the first two weeks went down, we'll have Tony Dejak at the AP breaking down all the breaking news here and I'll explore it with my own thoughts in the Fast Break. Be sure to listen to the latest Fast Break below! Week 1 of the 2013-2014 National**

**Football League has come and gone. After a blizzard of activity of preseason events, we saw some teams take the league by storm and some teams hit the backpedal with the league seemingly going nowhere fast. For the better part of the weekend, I was able to visit with Marc McMahon (Florida Atlantic), Payton Hinson (Seawolves), and Beth Bressedo (Kansas), just a few of the players you can find throughout the comments. I also made a scene in the stands to help document the college experience, see Week 1 in the NFL LIVE, and list the Top 18 Players of the Week. One of the intriguing things about Week 1 and why it was such a fun weekend, was the number of game I saw live in person. There were just so many coming at the speed of a home run, like Josh McCown (New York Jets) looking like the reincarnation of Bernie Kosar after throwing four touchdowns against the Pittsburgh Steelers. I also try to mention some of the stars and stars, so you know a little about the depth at the position. The cast of characters, I did encounter, were almost as entertaining as the entertainment itself. There are many moments to watch that happened in this shortened season, but as is always the case with an NFL season, we'll have some more time to provide you with plenty of entertainment next week. This weekend, our hero of the day Chris "Bad Hands" Lewis wasn't for real. It looked good for a few moments...or shorter than that, too. Despite losing his first game as a member of the Miami Dolphins, it's hard to really pinpoint one person for a win. For everything that was going on up front, it was a bad sign in the receiving corps with Rishard Matthews only managing one catch for eight yards. It was a**
