---

Traffic Giant: Gold Edition (also known as Der Verkehrsgigant: Gold Edition), very good strategy game sold in 2000 for windows is available and ready to be released. In this game, the player needs to create and manage his own transport company. In this game, the player can create his own port city by choosing a place for his house, create his company and start collecting all the necessary resources to move to the next stage and expand his business. The game also allows the player to build his own city with various resources. There are multiple maps in the game and each map offers more challenging gameplay of the last one.
