

Bleach Soul Carnival 2 Iso English 56 \\/FREE\\\/

Bleach: Soul Carnival 2 is the latest installment of the Soul Carnival series. It was released. The latest addition to the Bleach series for portable systems, and which boasts an in-depth gameplay experience through the inclusion of 14 mini-games, takes players on a brand new journey, in a new location, both physical and astral. By playing through the 14 mini-games, players must collect the necessary 'Carnival Points' in order to unlock the maximum of four additional characters, making them more powerful versions of the characters found in the base game, with the ability to change their outfit to suit their needs. In addition, the Carnival Points are used to unlock new variants on other characters, further augmenting the player's array of characters and also providing a deeper insight into the characters' combat abilities and ability to block, counter or dodge attacks. - The gameplay of the mini-games can be enjoyed by anyone regardless of previous experience. - In addition, the Carnival Points are also used for character development which allows players to develop their character's abilities by unlocking new base and combo moves, the ability to increase their ability to guard and counter-attack, by utilizing new added items to assist in their gameplay
